Subject: Embassy of Canada- Letter of Appreciation- Visit of HMCS MONCTON

The Embassy of Canada in Côte d'Ivoire is pleased to recognize the contribution of OBT Shipping in the coordination of the port visit of a warship of the Royal Canadian Navy to Liberia. HMCS MONCTON made a call to Monrovia 23-28 March 2017.

The support of OBT for providing ship services, transportation, security liaison and visa facilitation was most appreciated. Mr. Ronni Nielsen and his team proved to be particularly effective in a very challenging environment. They remained available throughout the visit and were able to react to all evolving requirements in a timely manner.

We wish to express our gratitude to OBT Shipping for a job well-done. There were high expectations surrounding the visit of MONCTON and OBT Shipping stepped up to the challenge. The Embassy of Canada would not hesitate to seek their services again in the future.

Please accept my warmest regards.

Sincerely,
